FFE SCHEDULE FOR UNMETERED RATE

Meter Installation & Repair: The District will give notification when a structure has been scheduled for meter installation or if meter is no longer functional. If the meter installation or repair has not occurred after the District has given two (2) verbal notices and one (1) certified letter notice, the property owner's monthly water user fee will be increased 5X until the meter installation or repair is complete. (\$65.90 x 5 = \$329.50 per month plus the sewer fee.) The data transmission device of MXU is considered part of the water meter.
